A.P. loved outdoor activities, from the farm, to the woods, to the fields and the river. When he could take a break from farming, he enjoyed fishing and hunting with family. The Wisconsin river was often an outlet for family fun - waterskiing, boating and tubing. The farm always had an assortment of motorcycles, ATVs, and trucks. A.P. could drive a tractor all day.

A.P. believed in giving back to the community as an avid supporter of local organizations and causes. He served many years as a Wauzeka school board President, President of the Crawford County Sheriff's Posse, President of Boydtown Cemetery committee, a councilman on the Marietta Township board, fire marshal and Knights of Columbus councilman. He was known for his performances with the Irish Tabernacle Choir, the Blarney Stones, and the church choir. A.P. bowled in a couple's league and men's bowling league, still going at age 88. One of A.P.'s greatest passions was music. He hummed, whistled, sang, and played guitar. He could dance a mean polka and taught all his daughters and grand-daughters how to waltz. A.P. was an excellent cook and a jack of all trades - he continued to learn throughout his life. His primary focus was on family. A.P. accepted every person as they were, had the ability to see the best in each, and always had time to help or give advice. He has set an example for all and will be remembered as everyone he met carries a piece of his positive energy with them. Love forever, rest in peace.
